

# A Beautiful Success

CAROLINE & CO  
TAILORED FOR BEAUTY

Bromborough came to life on Saturday at the opening launch of Caroline & Co's new 'Upstairs Salon.' Over 300 guests attended the 'Grand Opening' and enjoyed canapés and champagne. We were delighted with the positive response and would personally like to thank our loyal clients who came along to support us. Great interest was shown in our new relaxation areas, with many clients taking advantage of pre Christmas bookings for pamper parties and pre-wedding parties for 2010. We look forward to welcoming old and new clients in our luxurious treatment rooms!
